Dem. Intel.

The amount of federal any
money spent on special
Service operations were
not justified by the law
enforcement function it
served" all underlined on
50 of my state assembly Special
Task Force Report on State
Police Non Criminal Files
9/77 (most not on law
enforcement, only done with

FBI ~~Wash~~ State Offices nor

FENSTERWALD AND OHLHAUSEN

910 Sixteenth Street, N.W. W.

Telephone 202

State Police info

" on an alert info to

form an alert in action

group." Do Re State

Police noted " Re past meet-

ing was attended and names

of those present were noted

but Re group was not identified.

134 " p. 16

This after finding that (5th)
"The procedure by which
the State Police purged the
Special Services files makes
retrieval of specific files
virtually impossible." This
also "made access to the file
without use of the past virtually
impossible" for the legislature
(note could not check dissemination, esp FBI, in most cases)

"... unwittingly most aggrieved non-
consumer groups & individuals by
inspection of telephone, bank & credit
records; conducting mail surveys; obtain-
ing membership or contributors lists;"
and by use of informants, pp 54-60
all by illegal acts
